SIDE OF
FOOD**

A dense, top-down view of numerous small, round wooden bowls arranged in a grid-like pattern. Each bowl contains a different type of spice or herb, showcasing a wide variety of colors and textures. The spices include ground powders in shades of red, orange, and yellow; whole seeds and grains in various colors; dried herbs and leaves; and larger pieces of root vegetables and bark. The background is a solid black, which makes the vibrant colors of the spices stand out.
